**Verification of South African Qualifications -
[REDACTED] - Passport Number [REDACTED]**

The **South African Qualifications Authority (SAQA)** is a statutory body, regulated in terms of the *National Qualifications Framework Act No. 67 of 2008* and is mandated by legislation to oversee the development and implementation of the National Qualifications Framework (NQF).

The verification of qualifications resides in the overarching quality assurance role that SAQA performs.

It is a strategic imperative of the organisation to support and direct the national and international mobility of lifelong learners, including workers, by facilitating the recognition of their learning achievements.

SAQA is pleased to perform this verification, via its National Learners' Records Database.

The verification results are as follows:

| Qualification | NQF Level | Institution | Year | Found |
|----------------------|-----------|-----------------------------|------|-------|
| Doctor of Philosophy | Level 10 | University of KwaZulu-Natal | 2025 | Yes |

The achievement of this qualification is thus confirmed.

We look forward to being of further service to you in future.

Yours sincerely

for Chief Executive Officer
